I feel like I'm in Silent Hill!
Oh, I forgot...
You're calling Master Detective?
Wait! Are you serious about calling this number?
No. That's not it, it's...
It's just a bit weird to call the detective right now.
Uh-huh.....
You see in private with me, she mum... wants to... nyuhnyuhnnn her.
What? It comes with?
In a difficult situation you should call the police!
What is that!! I said it wasn't anything like that!
Mmmhh... I'm gonna... sooing sooing...
Now, give me the keys!
Ahhhhhh!
Wanna try and take it from me?
Wahaha
Ahah
Argh, damn it!! What are you doing, you crazy old man!
You need to call these things in order on
In these situations you need to survive!
It's about transition, not pressure!
Give impression!
Hey, what happened?
You're locked out here when I do,
Oh, that's why Boss Shen Mei would've left me behind in order.
What are you doing around here?
I don't like you thought of this place.
Mister Shen Mei refuses.
Who is this?
.....
Hey, why don't something then?
.....
Kang Di Hyung.
I SEE GHOSTS.
.....
What?
What? Ghosts?
What are you saying all of a sudden, Detective?
Maybe you're hallucinating because you're tired now?
You have been working hard for the little!
Uh-huh.....
Why would a normal kid say that.....
I'm not hallucinating
I also am not a child anymore because I'm three.
.....
Is this because of your grandmother?
Then are you becoming a shaman, too?
Well...
How long has it been like this?
So what you have to live like this?
I'm not becoming a shaman.
But I think I have to live like this
Grandmother tried her best to keep me from living this way.
But I unconsciously thought about it since long normal.
As I would become like Grandmother, someday I don't it, I don't what I would do.
I thought I would try to live as normally as possible.
I thought I gave up on it. I gave up on the best thing for me, and for Grandmother.
But
I learned to hide in such a short time.
By the way, what's the time? Is it back to the way things were before.
Hey xo.....
Why are you doing this? Why did you have to give up being a detective?
There's no need for you to do that, right?
I'm not giving up being a detective
I'm busy changing my department, that's all.
What?
During my short career as a detective
I can't going with the moment of capturing the bad guys and making money. My aim hunting innocent people.

THE PEOPLE WHO WERE SERIOUSLY WOUNDED, THE INJURIES LASTING
I THOUGHT IT WOULD BE BEHAVIOR IF THEY COULD GIVE SOME PEACE OF MIND BY SETTING THE CRIMINALS GET 10 OR 20 YEARS SENTENCED
BUT WHAT IF THEY'RE HERE TODAY'S WHO NEVER, NEVER THAT PEACE THERE AFTER& DEATH?
AND IF THERE ARE PEOPLE WHO ARE CONVICTING OF THOSE INNOCENTS?
